BRAND HISTORY

Born in the U.S., All-Clad was founded by John Ulam, a renowned metallurgist, who specialized in formulating bonded metals. Awarded with over 50 U.S. patents, Ulam established All-Clad in 1971 to deliver professional quality cookware for passionate chefs and home cooks.

Today, the high-performance cookware that All-Clad is known for is handcrafted in Canonsburg Pennsylvania, by American craftsmen with American steel. All-Clad is dedicated to growing and evolving our range to meet the needs of established chefs and passionate cooks, who demand unparalleled cooking experiences.

As All-Clad expands beyond cookware into electrics, accessories, and tools, the brand continues to be the undisputed choice for culinary professionals, and uncompromising home cooks.
